## Midland Meadows Golf Club Terms and Conditions

All ages are as of December 31<sup>st</sup>, 2018

*\*Couple is married or dating*

*\*\*A family rate includes: husband and wife plus 2 juniors within the same family. Midland Meadows may use its own discretion to define a family. Additional juniors may be added at \$50 each.*

*\*\*\* Find 3 buddies, and if all 4 were not a member in 2017, then you qualify. This rate only applies to the adult age category.*

### **Power Cart seasonal rentals**

*This option may be capped in relation to the fleet of rental carts. Carts must be booked at least 48 hours to be guaranteed.*

*If carts are rented under either the married couple or the two people categories, there is a policy in place that you may only have one cart on the course at any given time. You will not be able to get the second cart until the first one is finished play. As an example if a married couple has one partner playing at 9:00am and the other at 10:00am, only one of those players can use a cart and the other will need to either walk OR rent a cart OR ride with someone else that has a cart package.*

*The individual cart package does not allow a player to get their own personal cart each and every time they play. If two individuals have the individual packages and are playing in the same group, only one cart will be allowed. It should be noted that the pro shop will have the right within a designated tee SLOT to partner up individual players with cart packages so that we do not have 3 or 4 carts out in one foursome.*

*Players who golf with a seasonal cart holder will be required to pay for their seat.*

### **Power cart use of course fee**

*Prices apply to owned cars not for yearly rentals. Power carts may have only 2 users per cart. You are not permitted to lend your cart to others unless authorized by Midland Meadows Golf Club. A \$10 daily rental fee will be paid to Midland Meadows Golf Club for use of members power carts, or if you bring your own cart.*

### **Power cart Rentals**

*Members can rent power carts for a reduced rate of \$20 for nine holes and \$30 for eighteen.*

### **Driving Range Packages**

*Those purchasing a range pass are not permitted to share or give range balls to anyone who does not have a seasonal range pass. Doing so will revoke your range privileges .*

*These rates and conditions are subject to change at any time by Midland Meadows.*
